

## Tutor steps to login to Myprogress:

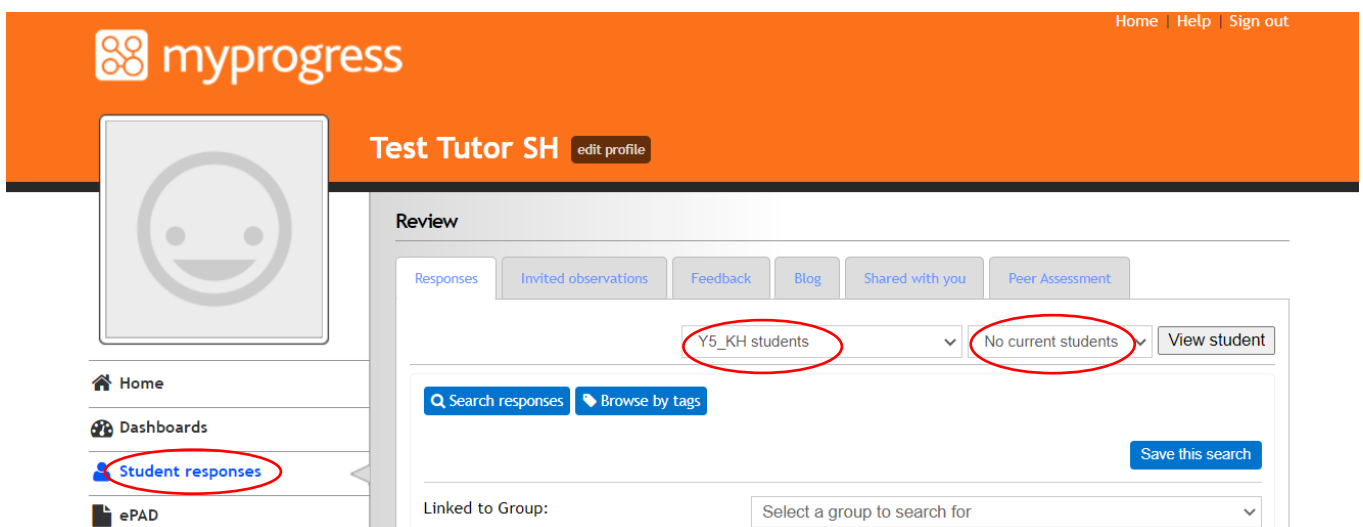

1. Go to <https://unic.epads.mkmapps.com/#/>
2. Press on the 'If you require account activation click here' as per the below picture

3. You need to enter your email address (the one you provided to the university. If unsure please ask the site administrator and press 'Activate account'.
4. You will receive an email with a verification link and you need to click on this. **Please note that the link is valid for 2 hours only.** You can still however activate your account by using the link on the Myprogress website welcome page <https://unic.mkmapps.com/myprogress/login.aspx>
5. A page to create your password will open and once you do enter a password and press 'Create' your account will be ready to use.
6. Since we have some things to finalise in the ePAD for tutors, to view the student groups, complete forms etc. once you login to ePAD you can press on your profile as per the below (see green circle):

7. This will open your Myprogress account and you will be able to view student responses (submitted WPBAs) by pressing on the 'Student responses', choose the specific group of students i.e. MD2024 (for Year 5) and then choose the student you want to see and press 'View student'

Thank you for using Myprogress and once we have finalised all details for the ePAD we will inform you accordingly.
